

CANTINA di TORTONA

FIUMANA Selection AEMILIA SCAURI

Colli Tortonesi Denominazione Di Origine Controllata

Timorasso Riserva

GRAPE: 100% Timorasso grapes.

Timorasso grape is the most representative white variety of our Area; our Riserva is its best representation.

At the nose mineral hints and aromas of ripe fruit, thyme and flint.

This full body white wine surprises for its structure and freshness, with an incredible long finish. This is a white wine that ages well for many years.

PRODUCTION AREA:

District of Viguzzolo and Vho di Tortona

VINEYARD DETAILS:

South, South west

About 350-450 mt on sea level

SOIL:

Clay and sandy soil.

TRAINING SYSTEM

Guyot with ten buds per plant

4.500 vines per hectare
